

Taking a **luxury** holiday?

then **Timeshare** is the right choice

Buy a resale and save £'000s

Having decided on location the next consideration is usually the choice between hotel or self-catering and we know all the problems of choosing accommodation from holiday brochures! Timeshare changed image with the arrival of large hotel groups that saw the benefits of timeshare. Marriott, Hilton and Hyatt have now built many timeshare resorts around the world.

Travel & Leisure are the largest independent resale company in Europe, operating for fourteen years with a well established international sales network. They are Corporate members of the Organisation for Timeshare in Europe (OTE) and The Timeshare Council, the official voice of Timeshare in the UK, a guarantee that you are in safe hands.

Travel & Leisure act as Estate Agents for Timeshare between existing owners who want to sell and people who want to buy.

Buying a privately owned Timeshare through Travel & Leisure is a great way of saving money, prices are at **less than 50% of developers price** and you

get all the same benefits as buying on site and un-biased advice.

All properties offered by Travel & Leisure are affiliated with one of the major exchange companies, RCI or II giving the purchaser the choice of exchanging their weeks for another at over 5,500 resorts in 175 countries.

Maria Mills-Farinas, Managing Director of Travel & Leisure points out that Timeshare is a luxury holiday. If you want to compare Timeshare holidays with a package trip, be realistic, you have to look at deluxe apartments or suites to be on the same levels as Timeshare - then you will see real savings. A once only payment plus a small yearly maintenance fee and your holidays are paid for life. Package holidays taken over a few-years will cost you a lot more and all you are left with are the memories.

So before you decide on a holiday this year give Travel and Leisure a ring or visit them at Talas House, 47-48 Ballington Street, Sudbury, Suffolk CO10 2BX. Our friendly team will be waiting to speak to you.
